

## UCA TEXTILE SAN VE TIC LTD STI COMPANY PROFILE

# Quality - From Design to Production

3A Textile was founded by Yusuf Apaydin who established the company in 2009 as a manufacturing facility in Pendik, Istanbul, Turkey in an area of 1700 m<sup>2</sup> with 150 employees.

However, in time, the vision, customers' demand and passion provided the much required energy for the facility needed to build the 2nd factory which has started its facilities in Tuzla, Istanbul, Turkey by August 2020 in an area of 7500 m<sup>2</sup> with 250 employees.

Both factories have been monthly manufacturing 200,000 units such as blouses, dresses, trousers and skirts, jackets, jumpsuits.

The services of 3A Textile is not limited to high quality garment production as we are also engaged in many services to meet the needs of our customers, from design to collection creation, from cutting to sewing, from quality control to logistics; and all these processes are performed in a higher quality understanding.

# Mission

Our aim is to provide **fast** and **high quality** services to our customers by combining our customer focused modern **designs** and **models** with our production experience and the team spirit.

With this understanding we want to continue our venture by earning the trust of our customers, and meet their needs in the best way possible by adhering to principles of high quality and efficiency.

# Vision

Our vision is to become the first manufacturer that comes to mind of customers with its effectiveness, quality and production power in a competitive race. We are determined to continue to appreciate our fundamental values and goals while trying to reach an equilibrium between satisfied customers and happy employees.
